MOBILE TENNIS CENTER

MAY 9-12, 2017

May 9, 2017

On behalf of the NCCAA and the Board of Directors, I welcome you to the NCCAA Men's & Women's Tennis Championship. It is exciting for all of us to have these institutions from across the United States competing in Mobile, Alabama this week.

This event is just one of our 24 national championships sanctioned by the NCCAA. Over 17,000 student-athletes and 96 institutions make up the NCCAA and this championship is an important part of our association as we complete the 2016-17 academic year. Many hours of planning, organizing and praying have gone into this event and we thank the Lord for all of those who serve.

Congratulations to each student-athlete and coach who participates in these games. Your involvement in this championship setting certainly represents many weeks of dedicated time and work. It can also be a statement that you stand for the Lord while you compete.

The NCCAA thanks Mr. Scott Novak, Director of the Copeland-Cox/Mobile Tennis Center and his entire staff for their excellent leadership in organizing and administrating this fine event. Mobile has become a great partner with the NCCAA and will continue to be the home of NCCAA Tennis for years to come. I am also very grateful for the time and dedicated work of the NCCAA Tennis Committee and its chairperson, Ms. Dee Morris from Cedarville University, and its vice-chairperson, Jeremy Nelson from Central Christian College. These two individuals have helped grow this event and are examples of excellence within the NCCAA sport leadership.

The NCCAA is unique and stands alone as the only national intercollegiate athletics association that uses athletics to serve the Great Commission. As we attempt to assist our student-athletes in shaping their Game Plan 4 LIFE, we hope you thoroughly enjoy your experience at this NCCAA Championship.

Sincerely,

Dan Wood
Executive Director

Our prayer is that God will be glorified through the actions and competitive spirit exemplified by all those participating this week. Please enjoy the outstanding facilities provided by the Copeland-Cox Tennis Center and the strong support provided by all those associated with the tournament.

May God continue to bless each of you in His own way as the week progresses. We hope your time here produces some wonderful memories and provides a fitting end to your 2016-17 academic year and tennis season.

Have a great championship week!

Welcome from NCCAA National Tennis Co-Chair • Dr. Dee Morris

May 9, 2017

Congratulations on qualifying for the 2017 NCCAA National Tennis Championships. We are blessed to hold our tournament in the beautiful city of Mobile, Alabama. When you aren't on the courts this week, take the opportunity to enjoy some of the sights of the area. Tour the USS Alabama, visit one of the stately antebellum homes in Mobile's historic area, or stroll down one of the city's live oak-lined streets. And of course, don't forget the many great restaurants of the Mobile area!

If this is your first time to play in the NCCAA tournament, you will find it a bit different from other intercollegiate tournaments. On Monday morning, teams will serve the Mobile community through our service project. Monday evening at our banquet, we'll be challenged to honor Christ even as we compete with all our might and skill.

We have a tournament Chaplain who will be at the courts daily, and available for team devotions or chatting with you individually. When play begins, you will find that our officials enforce a higher code of court behavior than is typical of most intercollegiate tennis events. Our goal is that all compete to the best of their ability in a manner that is honoring to Christ our Lord.

Have a great week. Play your best tennis, honor Christ on and off the court, enjoy fellowship, and make great college tennis memories.

Serving for Him,

Dr. Dee Morris • Cedarville University • NCCAA Tennis Co-Chair

Special Thanks to Scott Novak

The NCCAA National Championships would not be the "class" events they have grown to be without the help of Scott Novak, Director of the Mobile Tennis Center. He is the one who works with the Marriott on lodging and the banquet, arranges for our USTA officials, and handles the numerous on-site details essential to making our tournament a great experience. Thanks, Scott!

2017 NCCAA Tournament Chaplain • Mike Henderson

A strong believer in building strong teams and fitness foundations in athletes. Henderson is in his 15th season with the USF men's tennis team. In his tenure, Henderson has helped lead the team to four Conference USA Championships, one Metro Conference Championship, one BIG EAST Championship, and eight NCAA appearances. Henderson's coaching philosophy focuses on building aggressive style of play, which he believes is what top collegiate players must adopt in order to be successful.

Among his many tennis credits, Henderson has worked as the top conditioning coach at the Nick Bollettieri Academy, where he worked with top pros including Jimmy Arias, Aaron Kriskstein, and Jim Courier. Henderson also coached at the Palmer Tennis Academy from 1998-2001. In 1990, he coached Jessica Memmons while she was on

the WTA. He also coached Martin Blackman, who earned a spot in the 1993 French Open main draw.

While working at the Bollettieri Tennis Academy, Henderson met Barr and the two teamed up to work as tennis pros at Tampa's Development Program at Hillsborough Community College, successfully overseeing the top 70 juniors in the city.

Henderson, a native of Ringgold, GA, graduated from Carson-Newman College in 1979.

Banquet Speaker • Mrs. Teresa Clark

Teresa Clark just completed her 21st year at Cedarville University. She served 10 years as head coach of the Lady Jacket volleyball program and retired from coaching after the 2005 season. Clark is the school's all-time winningest volleyball coach by guiding Cedarville to 322 victories - an average of 32.2 wins per season. In addition, she led her team to two NAIA National Tournaments and eight NCCAA National Tournament appearances including their first-ever National Championship in 2005.

Clark never had a losing season at CU and her .712 career winning percentage is the best in the school's 43-year volleyball history. More importantly, her student-athletes developed a reputation for excellence both on and off the court. She coached multiple Players of the Year, All-Americans, all-region, and all-conference players. The 2005 unit was presented the NAIA's first Buffalo Funds Five Star Award for demonstrating exceptional character on and off the court. Her 2004 squad was honored with the NAIA National Tournament Team Sportsmanship Award; two of her players earned the NCCAA's Susan R. Hellings Award that recognizes an excellent volleyball student-athlete, who demonstrates leadership ability and has a clear Christian testimony; and she coached 11 All-America Scholar-Athletes.

Prior to coming to Cedarville, Clark spent seven years as girls volleyball coach at Blackhawk Christian High School in Fort Wayne, IN. Clark led Blackhawk to 78 victories and her last two teams were particularly impressive with a combined 35-11 record. Her 1994 club was 16-6 and finished as Sectional Runner-Up to Snider High School, a perennial power in Indiana high school volleyball. Blackhawk advanced to the Sectional semifinals in 1995 and finished with a 19-5 mark. Three of her high school players moved on to play for her at CU.

Clark, who is an Assistant Professor in the Kinesiology and Allied Health Department, is a 1975 graduate of Cedarville College and earned a master's degree from Indiana University in 1986. She also serves as the Faculty Athletic Representative and the Title IX Coordinator for the University.

Teresa and her husband, Jim, who is the school's assistant sports information director, reside in Cedarville. The Clarks have two married children: a daughter, Mrs. Carla Pittman, is a 2000 graduate of Cedarville College and resides in San Diego, CA with her husband, Scott; and a son, Jonathan, who is a 2003 graduate of Cedarville University and resides in Hilliard, OH with his wife, Amie, and their three daughters.

2017 Tennis Game Plan 4 LIFE Character Award Winners

2017 MALE AWARD WINNER:

ISAAC CHILDS

DALLAS BAPTIST UNIVERSITY

The NCCAA is pleased to announce Isaac Childs of Dallas Baptist University as the 2017 Tennis Game Plan 4 LIFE Character Award recipient.

Isaac, a senior from Round Rock, Texas, is a servant leader who is always willing to lend a helping hand. Isaac rarely misses a practice, has improved each season, and is someone the coaches can look to for a trustworthy opinion. He is very enthusiastic in making new teammates feel like a part of the men's tennis family and is helpful with team building and bonding.

An influential Christian leader and mentor on the team, Isaac is a major contributor during the team's weekly Bible studies and has helped lead a teammate to Christ. Isaac has served in various roles at First Baptist Church Irving including media ministry and college ministry. In the classroom, Childs holds a 3.97 GPA in broadcasting & digital media studies.

Sarah Gray, Head Tennis Coach, said, "Not only has Isaac's spiritual life been a shining example to those in our program, but his effort and attitude on court have been exceptional. He is a great example of the type of student-athlete we want at DBU."

2017 FEMALE AWARD WINNER:

KAREN MOE

UNIVERSITY OF NORTHWESTERN

The NCCAA is pleased to announce University of Northwestern's Karen Moe as the 2017 Tennis Game Plan 4 LIFE Character Award recipient.

Karen, a senior from Fargo, North Dakota, has had tremendous impact on and off the court through her Christ-like character. A three-year captain, Karen garners respect from teammates and opponents alike. She is the all-time winningest player in school history and is currently undefeated in singles play in 2017. Athletic honors Karen has received in the NCCAA include Student-Athlete of the Week, All-Regional, All-American, and All-Tournament, while Upper Midwest Athletic Conference honors include Player of the Week, All-Conference, and Player of the Year.

Under Karen's leadership, each teammate has felt loved, supported, and encouraged to be their very best. She has also helped lead and facilitate Bible studies for residents in her hall, served as a Huddle Leader at a Fellowship of Christian Athletes Leadership Camp, and volunteered at the Red River Valley Dental Access Project. In her studies, Karen holds a 3.8 GPA in biology.

"Karen's love and care for each of her teammates and the extra time she takes to talk about their lives and struggles is inspiring," stated Head Tennis Coach Matt Swigart. "She has done an outstanding job over her career loving and serving people and pointing them to Jesus."

NCCAA's Game Plan 4 Life

The NCCAA's Game Plan 4 Life Character Program is a Biblically based answer to today's need for real character. With 4 Cornerstones: Love, Integrity, Faith and Excellence, this program is designed to assist today's teens and collegians in finding their personal game plan within Christ's calling.
